

DATA IS POWER

with Executive Analytics from Custom Design Benefits

As the expert in self-funded plans, we know a thing or two about creating actionable plans that help our clients control costs. With **Custom Design Benefits** as your Third Party Administrator, you'll get access to the data and analytics you need to make informed decisions about your company's health benefits plan. We help you understand how your unique population impacts your health spend and can suggest adjustments that keep your benefit costs in line.

Custom Design Benefits Client Savings Snapshot

When you combine the power of CDB's analytics with TrueCost's effective reference-based pricing model, your business will realize true savings. Turn insights into action with Custom Design Benefits.
